

ETHARA AI

OFFER OF INTERNSHIP

Date: August 21, 2026

Dear **Prem Borse**,

We are pleased to offer you the position of **Software Engineering Intern** at **ETHARA AI**. Following a thorough evaluation of your profile, we are confident that your skills and academic background make you an excellent fit for this role.

Terms of Engagement:

Role	Software Engineering Intern
Duration	6 Months
Stipend	■15000/month
Location	Remote - Pune, Maharashtra
Start Date	August 21, 2026

Role Description:

Detailed Description: We are looking for a motivated Software Engineering Intern to join our engineering team. You will work on building and improving web applications, developing frontend and backend features, integrating REST APIs and AI/LLM capabilities, and contributing to CI/CD workflows. Candidates should have strong problem-solving skills, a willingness to learn, and basic knowledge of modern web development.

During your internship, you are expected to adhere to the company's code of conduct, maintain confidentiality of proprietary information, and follow all guidelines set forth by your reporting manager. Your performance will be reviewed periodically, and a completion certificate will be issued upon successful completion of the internship tenure.

We look forward to welcoming you to the team and having a productive internship experience. Please confirm your acceptance by signing and returning a copy of this letter.
